

The J.M. STEWART Corporation
AMERICA'S PREMIER SIGN COMPANY

20-YEAR WARRANTY

The J.M. Stewart Corporation warrants to the purchaser of a J.M. Stewart Corporation sign the following, subject to the conditions herein provided: should the sign malfunction within the first twenty years from the time of shipment due to faulty workmanship or defective materials, J.M. Stewart Corporation will at its option repair or replace any of the defective materials, (with the exception of lamps and ballasts). However, faulty ballasts will be exchanged for new ballasts for three years. Labor costs limited to \$50.00. The J.M. Stewart Corporation will, at its option, repair or replace the malfunctioning or defective part(s) when authorized by the Customer Service Department. The electrical hook-up must be completed by a licensed electrical contractor or the warranty covering any electrical component is automatically invalidated.

Incidental blemishes and scratches are considered normal unless they can be viewed from 10 feet or more under normal use conditions.

This warranty is further extended to cover the polycarbonate faces against breakage for twenty years from the date of shipment. Warranty protection does not extend to these surfaces if damaged by gunshots, nor the damage resulting in the destruction of the sign cabinet.

By law, title to the property passes to the buyer upon delivery to the freight carrier. Loss or damage to the goods when in possession of the freight carrier is the responsibility of the buyer and the freight carrier is not covered by this warranty.

Warranty claim must be registered with the J.M. Stewart Corporation within ten (10) days of damage or component failure. The J.M. Stewart Corporation reserves the right to visit the site of the installation or to require documentation of the claim before assuming any responsibility under the provisions of this warranty.

The J.M. Stewart Corporation assumes no liability for damages caused by careless handling or poor installation except for work completed by employees or agents of the J.M. Stewart Corporation.

The foregoing warranty is exclusive and in lieu of all other warranties whether written, oral, or implied (including any warranty of merchantability or fitness for purpose).

Service to a damaged or malfunctioning sign, with the exception of lamp replacement, which has not been ordered or authorized by the J.M. Stewart Corporation automatically invalidates this warranty.

Daystar Series Electronic Message Centers are not covered under this warranty.
